STEELGRAPH NOTES: Early issues were hyphen hole 2-1/4, and later issues hyphen hole 3. Three watermarked "Gilbert Bond" papers were used: A- 'BOND' in outline letters 3/4 inch tall; B- 'BOND' in plain letters 1/2 inch tall. C- Script, open letter 'Bond' 3/4 inch tall. The last two papers were used only on the 1968? series and the later issues hyphen hole 4-3/4. At the very end, the hyphen hole 4-3/4 was used again. The watermark appears on the Gallons 19mm long stamps. Watermarks are usually upward or downward and rarely horizontal.
